Gauge Studs for Drying Shrinkage of Concrete

Geo-Con made studs are CNC manufactured and the ends have a mirror polished face

Threads and lengths are checked and the studs individually packed, they are then boxed for convenient storage and batch identification.

All Studs are supplied with a Certificate of Compliance.

In this Certificate it is certified that the Concrete Shrinkage Gauge Studs manufactured and supplied to the Client in accordance with the Clients Order and that they comply with the AS 1012.13.5.4 (a) or (b). It should be noted that the Certificate for conformance with AS 1012.13.5.4(a) has a qualification.
